HKSPHN Bulletin

News and Highlights

The Hong Kong Society for Public Health Nursing (“the Society”) Bulletin launches its first issue in June 2022. The bulletin aims to connect with members and provide the most up-to-date news relating to the perspectives of public health development.

Objectives

- Provide a channel for communication between the Society and its members;
- Disseminate up-to-date Public Health Information to the members; and
- Empower members with relevant knowledge and skills to the development of Public Health Nursing.

Membership

We encourage members to invite colleagues and friends to join and support our Society. The membership form can be accessed via our [website](#).

Annual General Meeting

Annual General Meeting (AGM) 2022 is going to be held on 17 September 2022. Details to be announced shortly.
